Earnings per Share (₹)	7.79	1.83

OPERATIONS AND PROSPECTS :

As we report today, we step into the third year of the pandemic and it is abundantly clear that we are at the crossroads of a redefined future. While economic activities started rebounding, new challenges emerged including central bank imposed fiscal controls in most countries, increase in interest rates, inflationary headwinds as well as several supply chain disruptions, staff attrition, fears of recession etc. Our ability to adapt to the new normal and face the long term emerging challenges will reshape our country.

We are thus in the midst of this phase at present with much less fears of the Virus and its management but apprehensive about the new business challenges which are now posed ahead in the post Covid environment. We however, still are in midst of the possibilities of a fourth wave and this reality continues to affect us all in matters of healthcare, education, travel & leisure, etc. where footfalls are still far from normal and vulnerable. The government, healthcare system and citizens have all learnt now to take precautionary measures of safety , vaccinate themselves in time and cope with any fresh outbreaks without much of the past disruptions .The Company has also adopted measures to ensure business continuity with minimal disruption.

Covid impact for us in healthcare is still felt especially in terms of lesser footfalls, lower registrations of services, Clinics yet to open up to pre-Covid levels, loss of established doctors who chose to stop Clinics or relocate etc. Some services need to be practically rebuilt afresh like Clinics, Dentistry, Gastroenterology,

N G INDUSTRIES LTD

Directors' Report (cont.)

Preventive Health Care etc. It may be pertinent to highlight that the worst phase of the Covid pandemic in its second wave burnt through our country during the 1st quarter of the year.

The Company carried out Covid related pathological tests like Covid Rapid Antigen test as well as test for Covid Antibodies. We operated both our establishments as approved vaccination centres and carried out vaccinations of **Covishield** as well as **Covaxin** vaccines. We have put in place infrastructure and manpower for carrying out vaccination as a regular activity at both our establishments. This has helped us in the short term. As we continue with this new activity, it has posed separate business risks with respect to unexpected turn of pandemic responses and accompanying government policy changes from time to time and uncertainties with respect to expiry period and dead stocks. The activity enabled thousands of additional, never before footfalls in our premises and thus would build up our goodwill as well as Brand recall subsequently. It added to our menu of services and also meant for us a challenging and satisfying activity and revenue which in fact helped us bridge gap of otherwise lower revenues from our Diagnostics division.

The long term impact of Covid-19 pandemic has affected your company's revenues and profitability for the year despite the evident recovery compared to previous year. We consider your company's performance for the year 2021-22 as satisfactory in the context of the prevailing pandemic and believe that the outlook of the company can be one of further recovery and consolidation and we hope the same to be soon, in line with our earlier consistent performance.

There was no change in the nature of the business of the Company during the year.

DIVIDEND AND TRANSFER TO RESERVE:

The Board is pleased to recommend a dividend of ₹ 3.50 per Equity Share of the Company of ₹ 10 each (i.e. 35%) for the year ended March 31, 2022. The said dividend on equity shares is subject to the approval of the shareholders at the ensuing Annual General Meeting ("**AGM**") scheduled to be held on Saturday, September 24, 2022. Dividend will be paid after it is approved at the forthcoming Annual General Meeting. Also, the Board of Directors of the Company has decided not to transfer any amount to the Reserves for the year under review.

MANAGEMENT DISCUSSION & ANALYSIS

Our discussion & analysis may be perceived as repetitive over the years but constitutes the essence of wisdom about our field of operations as assimilated by us over two decades of experience and experience during the ongoing pandemic.

A) INDUSTRY STRUCTURE & DEVELOPMENT:

Rising incomes in the hands of our citizens, increase in health awareness in society at large, increasing population of older citizens, new technologies in the sector, longer life expectancy, health insurance penetration and medical tourism are contributing to the growth in healthcare sector. The new health Insurance schemes announced by the Union Government, when fully implemented, as well as State Government introduced health-card schemes will further increase penetration of insured healthcare in the country.

Covid-19 is an unprecedented, new, unknown, disruptive development which has hit globally as a whole including all countries, economies, sectors, companies and has affected in more ways than one can imagine and is still unfolding. The Company has released separate disclosure regarding impact of the pandemic and the challenges it has posed and the same is available on our website under "Information & Circulars for Shareholders." We have also discussed it earlier in the Directors Report under 'Operations and Prospects' and more exhaustively in our last year's Annual Report.

N G INDUSTRIES LTD

Directors' Report (cont..)

B) OPPORTUNITIES, THREATS, RISKS AND CONCERNS:

Opportunity for the Company is inherent in the sectors we operate in and are already covered in above paragraph (A).

Slowdown in economy, especially in the services or retail sector affects most businesses including healthcare. The healthcare business runs the risk of unfavorable publicity in case of unsuccessful treatment, translating into reduction of patient flow, risk of good professionals leaving the Company and it stands to lose years of, on job training and risk of independent Doctors beginning to refer patients elsewhere. Doctors use our Clinic Services and many Doctors whose patients frequently use our services due to locational proximity etc. Disruption of Doctors Clinics as it has happened significantly during Covid has meant rebuilding such outreach on continuous basis.

Healthcare establishments have faced mob violence and damage to property, increased litigation for award of compensation on sometimes frivolous grounds; doctors have been taken to Medical council for action on grounds of negligence etc. This challenge will have to be met by all, with more transparent and diligent services. The pandemic has also added to the major challenges in terms of employee attrition as well as professional changes being adopted by doctors as well as paramedical professionals. It is however too early to assess these challenges at the moment and the company however recognizes these issues as concerns. Governments have also strengthened regulatory oversight systems as well as enabled more punitive measures to tackle lawlessness at hospitals.

The Company mitigates these risks, through adopting ethical practices, transparent dealings with patients and explaining to them, in plain layman's language, the pros and cons of the treatment with realistic assessments of recovery. Quality surveillance and adherence to strict protocols also mitigates risks. The Company provides its professionals, a very good and challenging environment with continuous growth and also looks out to induct new and good professionals to keep strengthening its team. The Company has also adopted external quality audits as well as accreditations. To face competition, the Company keeps close interaction with Doctors and strives to keep services at levels meeting their standards. The Company is also continuously investing in newer technologies and equipment to stay ahead, in offering value added and superior quality of tests at affordable tariffs.

Short term adverse impact of Covid-19 has already been dealt with, in our disclosures available on our website under "Information & Circulars for Shareholders" as well as earlier in the Directors Report under 'Operations and Prospects.'" in both this as well as past year's Annual reports.

C) OUTLOOK:

Our Company operates in an industry which is increasingly getting more competitive and yet we state with conviction that the long-term outlook of your Company looks good on account of our adherence to quality of services, affordable tariffs and trust earned through, over two decades of diligent service to citizens. The Company is facing all challenges through consistent, credible and transparent dealings and greater

N G INDUSTRIES LTD

Directors' Report (cont..)

communication with patient's families on all aspects of treatment. Covid-19 impact has been indicated in the "Company Disclosures" released separately earlier and our experience during the year will further help us reorient our strategies and adapt ourselves to the current status of the pandemic as well as for post Covid-19 ecosystem. Our, over two decades of trust and goodwill will help us move ahead and get the Company's operations back on track soon. Our vaccination outreach we hope, has earned us significant goodwill and exposure and we continue this activity as well. Details with regard to Covid-19 have already been dealt with in our disclosures available on our website under "Information & Circulars for Shareholders" as well as earlier in the Directors Report under 'Operations and Prospects' in both this as well as past years Annual Report.

D) INTERNAL CONTROL:

Your Company has adequate internal control systems, which commensurate with its size of operations. Please see paragraph with heading 'INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY' in this report.

E) HUMAN RESOURCES/INDUSTRIAL RELATIONS:

Your Company has during the previous year continued to have cordial industrial relations with its employees. The number of employees of the Company at the end of the year was 73. Pandemic has led to some employees to leave their jobs out of resulting compulsions and even many Doctors chose not to continue Clinics at our premises.

F) FINANCIAL AND OPERATIONAL PERFORMANCE:

This has already been detailed earlier in this report.

CORPORATE GOVERNANCE :

The Corporate Governance Report forms an integral part of this Report and has been set out as a separate annexure to this Report. The certificate from the Auditors of the company, certifying compliance of conditions of Corporate Governance stipulated in the Listing Agreement with the Stock Exchanges is also annexed to Report on Corporate governance.

CONTRACTS AND ARRANGEMENTS WITH RELATED PARTY :

All contracts / arrangements / transactions entered by the Company during the financial year with related parties were in the ordinary course of business and on an arm's length basis. During the year, the Company had not entered into any contracts / arrangements / transactions with related parties which could be considered material in accordance with the policy of the Company on materiality of related party transactions.

Your Directors draw attention of the members to notes, to the financial statement which sets out related party disclosures.

INDEPENDENT AUDITOR'S REPORT

To the Members of **N G INDUSTRIES LTD.**

Report on the Audit of the Financial Statement

Opinion

I have audited the accompanying standalone financial statements of **N G INDUSTRIES LTD.** (“the Company”), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”).

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

I conducted my audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. My responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Financial Statements’ section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Act and the Rules thereunder and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the standalone financial statements of the current period. These matters were addressed in the context of my audit of the standalone financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the standalone financial statements and my auditor’s report thereon.

My opinion on the standalone financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the standalone financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or my knowledge obtained during the course of my audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- *Identify and assess the risks of material misstatement of the financial statements*, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- *Obtain an understanding of internal control relevant to the audit* in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, I am also responsible for expressing my opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.
- *Evaluate the appropriateness of accounting policies used* and the reasonableness of accounting estimates and related disclosures made by management.
- *Conclude on the appropriateness of management's use of the going concern basis* of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- *Evaluate the overall presentation, structure and content of the financial statements*, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, I give in the "Annexure - 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, I report that:
 - (a) I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit;
 - (b) In my opinion, proper books of account as required by law have been kept by the Company so far as it appears from my examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account;

- (d) In my opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016, except slight departure in Ind AS-19 in connection with actuarial valuation of carried forward accumulated leave of staff and provision thereof. However Casual leave is either availed by the staff or lapsed if not applied for.
- (e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the director is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure - 2”. My report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended. In my opinion and to the best of my information and according to the explanations given to me, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in my opinion and to the best of my information and according to the explanations given to me:
 - (i) The Company does not have any pending litigation which would impact its financial position. All the income tax demand of previous assessment years have been adjusted with the refund of A.Y. 2020-2021 by the income tax department.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- 3. I report that the management has represented that other than those disclosed in the notes to accounts:
 - i. The Management has represented that to the best of its knowledge and belief no funds have been advanced or loaned or invested by the company to or in any other person(s) or entities including foreign entities (intermediaries) with the understanding that the intermediary shall whether directly or in directly lend or invest in other person or entities identified in any manner by or on behalf of the company (ultimate beneficiary) or provide any guarantee security or the like on behalf of ultimate beneficiary.

- ii. The Management has represented that to the best of its knowledge and belief no funds have been received by the company from any person(s) or entity including foreign entities funding partners with the understanding that such company shall whether directly or indirectly lend or invest in other person or entity identified in any manner whatsoever by or on behalf of Funding Party (ultimate beneficiary) or provide guarantee security or the like on behalf of the Ultimate beneficiaries.
- iii. Based on the audit procedure performed. I report that noting has come to my notice that has caused me to believe that the above representation given by the management contain any material misstatement.
- iv. The Board of Directors of the company have proposed final dividend for the year which is subject to the approval of the members of the company at their ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Companies Act to the extent of it apply to declaration of Dividend.

Annexure – 2 to the Independent Auditors’ Report

Referred to in Paragraph 2(f) under the heading of “Report On Other Legal And Regulatory Requirements” of our report of even date

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

I have audited the internal financial controls over financial reporting of N G Industries Limited (‘the Company’) as of 31st March 2022 in conjunction with my audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

My responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, to the best of my information and according to the explanations given to me, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

N G INDUSTRIES LTD

Notes Forming Part of the Standalone Financial Statements for the year ended 31st March, 2022

1 Reporting Entity

"N G Industries Ltd" The Company has been incorporated under the provisions of Indian Companies Act 1956 on 17th November 1994 and engaged in Business of Healthcare through its divisions popularly known as N G Medicare & Calcutta Hope Infertility Clinic, N G Nursing Home and N G Pharmacy. The registered office of the Company is located at 1st Floor, 37A Dr Meghnad Saha Sarani, Kolkata 700029. The Company's equity shares are listed on the Bombay Stock Exchange (BSE) and Calcutta Stock Exchange Association (CSE) in India.

2 Basis of preparation of Financial Statements

(a) Basis of preparation and compliance with Ind AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The standalone financial statements were authorised for issue by the Company's Board of Directors on 27th May, 2022.

Details of the Company's accounting policies are included in Note 3.

(b) Functional and presentation currency

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency. All financial information presented in Rupees

(c) Basis of measurement

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including derivative financial instruments which have been measured at fair value and defined benefit plans which have been measured at actuarial valuation as required by relevant Ind ASs.

Unless otherwise stated all income and expenditure are accounted for on accrual basis.

(d) Measurement of fair values

Certain accounting policies and disclosures of the Company require the measurement of fair values, for both financial and non financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values.

The valuation team regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into a different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement

3 Significant accounting policies

The Company has applied following accounting policies to all periods presented in the Ind AS Financial Statement

(a) **Revenue Recognition**

Revenue (income) is recognised when no significant uncertainty as to determination/ realisation exists

Revenue from sale of goods and services rendered is recognized upon passage of title and rendering of services and, unless otherwise stated, is measured at the fair value of the consideration received or receivable inclusive of applicable taxes & duties

Interest Income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend income is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

(b) **Property, Plant and Equipment**

(i) **Recognition and measurement :-**

Items of property, plant and equipment, are measured at their original cost, net of Cenvat/GST, less accumulated depreciation. Additions include purchase cost, freight, duties and other expenses wherever incurred for acquisition and installation

Fixed Assets retired from active use are valued at net realisable value.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized within other income/other expenses in statement of profit and loss

(ii) **Subsequent expenditure :-**

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company

(iii) **Transition to Ind AS :-**

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as on 1 April 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment

(iv) **Depreciation :-**

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual value using straight-line method over estimated useful life and in the manner specified in schedule II of the Companies Act, 2013. Depreciation is calculated on pro-rata basis on additions and deletions of fixed assets during the year.

(c) **Investment property**

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes. Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

(d) Impairment of assets

An items of property, plant and equipment is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit and Loss Statement in the year in which an asset is identified as impaired. The impairment loss recognised in a prior accounting period is reversed if there has been a change in the estimate of recoverable amount

(e) Inventories

Inventories of medical consumables, drugs, and stores and spares are valued at lower of cost or net realizable value. Cost is determined on weighted average basis. Net realizable value represents the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(f) Earnings per share

Earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders, by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period are adjusted for the effects of all diluted potential equity shares.

(g) Taxation

Tax expense comprises of current and deferred tax.

Current income-tax are measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act,1961.

Provision for Income Tax comprises of current tax and deferred tax charge. Deferred tax is recognized subject to the consideration of Prudence, on timing differences, being difference between taxable and accounting income/expenditure that originate in one period and are capable of reversal in one or more subsequent periods

Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance note issued by the Institute of Chartered Accountants of India

(h) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

(i) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

(j) Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows,whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information

(k) Use of Estimates and Judgements

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are elaborated in notes.

(l) Segment Reporting

The Company is primarily engaged in the Business of healthcare services which is the only reportable business segment as per Ind AS 108 'Operating Segments'. Healthcare include various patient services delivered through Clinical establishments for Indoor Patient Services as well as Out Patient Services including Diagnostic services and Clinics with Pharmacy, Pathology and Radiology Services, Preventive Healthcare Services etc. The Company's business activity primarily falls within a single geographical segment.

(m) Provisions, contingent liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are neither recognised nor disclosed in the financial statements.

(n) Financial Instrument

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same as at fair value through other comprehensive income (FVTOCI).

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety fair value,

(o) **Employee benefits**

(i) **Short-term employee benefits :-**

All employee benefits falling due within twelve months of the end of the period in which the employees render the related services are classified as short term employee benefits, which include benefits like salaries, wages, short term compensated absences, performance incentives, etc. and are recognised as expenses in the period in which the employee renders the related service and measured accordingly.

(ii) **Post-employment benefits :**

Post employment benefit plans are classified into defined benefits plans and defined contribution plans as under :-

Gratuity :- The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount based on the respective employee's salary and the tenure of employment. The liability in respect of Gratuity, is recognised in the books of accounts based on actuarial valuation by an independent actuary. The gratuity liability for employees of the Company is funded with Life Insurance Corporation of India.

Provident Fund :- The Company makes contributions to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. Provident Fund is a defined benefit scheme the contribution of which is being deposited with Regional Provident Fund Commissioner. Company's contribution to the provident fund is charged to Statement of Profit and Loss.

p **Pledged of Shares**
